

Exeter College

A guide to designated bus routes

Over 60% of Exeter College students travel from outside of Exeter city centre, so we do everything we can to make getting to college easy for you, which includes our dedicated buses to collect students travelling from Great Torrington and South Molton. These details give you an indication of the service we provide, they are reviewed on an annual basis and maybe subject to change in the future.

Travel Passes

If you would like a place on one of our designated buses and have applied to Exeter College you will automatically be sent information on the travel scheme from Exeter College Travel Team. The contribution you pay towards the cost of a travel pass for 2017/18 is £580. If you choose to pay termly the total cost of the pass is £610 which includes a £30 admin fee for paying by instalments - Term 1 Autumn £210, Term 2 Spring £210 and Term 3 Summer £190 (inc £30 admin fee).
