

£1000 Challenge!!

You are moving into an unfurnished flat. You have £1000 to buy everything you need.

What would you need, how would you get it and how much will it cost?

Carefully decide on the items, what do you really need? Then have a look online to find where you could buy the item from – try and find the best deals!

Item	Cost	Shop
Total number of items you are buying	Total cost	Number of different shops
