

AS COLD AS

Imagine walking to school on a cold frosty morning.

I was as cold as ice.

I felt as cold as a refrigerator.

It was as cold as the North Pole.

Imagine a hot day on the beach. How do you feel?

As warm as _____

As warm as _____

As warm as _____

You can turn your ideas into a poem like this:

Dark

I've just woken up
In the middle of the night.
It's as dark as a cave,
As dark as a dungeon,
As dark as a haunted house,
And I feel scared!

Choose an idea from the box and write an 'As ... as ...' poem about it.
