

A familyouting

If a family of four, two adults and two children, attend a football league game, the cost can be several pounds, even without the tickets. Can you work out the costs from these figures?

Travel	Match Programme	Refreshments
By public transport (the bus) to the ground	Per programme	Tea
Adult	£2.00	50p
Child		Coffee
£1.48 one way		75p
50p one way		Can of fizzy drink
		50p
		Hot dog
		£1.50
		Pie
		£2.00

- 1 What is the cost of 2 adults and 2 children travelling to the ground and returning home? £
- 2 What is the cost if both children want a match programme? £
- 3 At half time, the adults have one tea, one coffee and two pies. How much would this cost? £
- 4 At half time, the children buy one can of fizzy drink and one hot dog each. How much would this cost? £
- 5 What is the total cost of the day out to the football match, including travel to and from the game for the whole family, two match programmes and if all the family have a cup of tea and a hot dog at half time? £
- 6 How much change would you have from £100? £
