

# Do you take the train to college?

This term, capacity on train services will be reduced - this is to help keep you safe and maintain social distancing.

Because of this DCC, Exeter College and the train operators are working together to provide **additional coach journeys**. These will operate as closed journeys, so will only carry Exeter College Students. **We are asking that you use the coaches we have provided instead of taking the train.**

Turn over for a timetable, and a map where to catch your coach. Coaches will be clearly marked with their destination, and staff will be on hand to help you.

## It is important to remember:

- When travelling be **respectful of others** and **maintain a social distance**
- You must **wear a face covering** when using public transport
- Continue to **wash/sanitise your hands regularly** and **avoid touching your face and eyes**
