

# EXETER COLLEGE

## CARING CAREERS UNLOCKED

*Supporting you towards a successful and rewarding future in the Health and Social Care sector*

**Choose this course if... you want to make a difference to the lives of others and further your career in a health and social care setting. You need commitment and a desire to learn and develop.**

### What will you learn?

Our Caring Careers programme offers you three pathways where you will develop care certificate knowledge, employability skills and personal and professional development opportunities.

### Embedded care certificate standards:

- Working in a person-centred way
- Communication
- Duty of care
- Safeguarding
- Equality and diversity
- Personal development
- Health and safety

### Qualifications available:

- Level 2 Introductory Award in Employability skills
- Level 2 Award in Employability Skills
- Level 2 Award in Food Safety
- Level 3 Award in Principles of Management and Leadership

### Programme length:

4 weeks

### Qualifications needed:

No formal qualification required

### Fee:

Free. This qualification is funded by the ESF and a consortium of NHS Trusts and social care employers within the heart of the South West LEP as part of the HSSAP.

### Delivery:

- Remote delivery
- Interactive resources
- Regular tutor feedback

### Accessibility:

- College resources
- Learning Resource Centres
- Student Discount
- Adult Learning Bursary (if applicable)
- Access to Maths and English up-skilling

**We have programmes starting every month, please get in touch to discuss availability**
