

@34 Gin

In association with Exeter Quayside Distillery, @34 Restaurant has created its very own gin, using ingredients from the @34 Kitchen Garden. After extensive testing (and tasting!), we crafted this unique spirit with the following seasonal ingredients:

Lavender

a perennial flowering plant from the mint family

Nasturtium

Tropaeolum, a vibrant genus of annual and perennial herbaceous flowering plants

Fennel

a flowering plant species in the carrot family

Hops

the flowers of the hop plant *Humulus lupulus*

We highly recommend you try our refreshing gin creation - £7.00 (25ml, including tonic). Availability is limited, so be sure to "grab a gin" while stocks last!

The label for our gin has been designed by Lara Butler, an A Level student here at Exeter College.
